COMMODORE

KARYN SELLE

Scott and I are enjoying representing DBBC as part of the Class of 2021. There has only been one Commodore's Ball to attend so far but more are coming up in April, May and June.

The last Friday Fish Fry to benefit VC Don's fundraising efforts will be April 2nd. Many visiting clubs will be coming via bus so come on down to welcome them. The docks and Grounds Work Party is on April 24th.

As you can imagine, many of our events and events at other clubs are up in the air so please stay tuned for communications on email, Facebook and by text.

Special Notice:

Due to a scheduling conflict, the officer's board (per the bylaws) has decided to move the April General Membership Meeting to Wednesday, April 14th at 7:00pm. Thank you for your understanding.

Vice Commodore

DON TECZYNSKI

Springtime has finely arrived. With the warmer weather and painting the pavilion for the Commodores Ball (Thank you Past Commodore Fuller for the donation of paint), we have moved the deck furniture out on the deck little earlier than normal and a few of our members have been enjoying soaking up a few sunrays with a cocktail.

I can't thank everyone that helped with the fish fry's, especially Past Commodore Breitenbach and Lady Donna for helping every Friday. April 2nd will be the last Fish Fry for the year. Fundraising for the 2022 Commodore's Ball has been a little challenging this year with all the rules we need to work around. However, we do have a few ideas that we are working on...stay tuned for more details. Also, if you have any ideas for a fun, original fundraiser, or an old one that hasn't been done in a while and should be revisited, please share with me. We are open to all ideas.

Happy Easter to everyone and see you at the club. V/C Don

Rear Commodore

BOB HARVEY

Greetings! We have air fryers and have opened up a new menu for the downstairs bar, so come and try it out.

Coming soon....a cash giveaway to all members with no entry fee. The only catch? You have to be at the bar to win. We are currently remodeling the back bar up stairs. Like to thank Mike Breslin and Denis Breitenbach for alot of time to design and effort they are putting to make this happen. It will be a real improvement and will be a nice look. Hopefully we will be moving up stairs in the next couple of months governor willing.

See you at the club.

Fleet Captain

DARIN CALHOUN

Spring is here! Our bus trip was a great success and a good time was had by all. I would like to thank all who brought food for the clubs we hosted this past month. You were all amazing and we really showed what DBBC is all about. We have 3 more clubs coming in April. TSC on April 3rd, EMBC on April 10, and Sunseekers on April 24th.

CLUB TRIP: I have a block of 10 rooms held at Commodore Perry Hotel in Port Clinton. Mention DBBC to save 10% when reserving. I would really like to see more people going by land. If you have never been on a club trip this is a perfect time to see what it's all about. I sent our current boat list to Lakefront Marina and I am hoping to have dock assignments soon. Watch the FB page for updates.

I am working on plans for our annual shakedown cruise in mid-May to a local club,

so keep an eye out for further information.

Oh yeah, Congrats to Dave Schafer. What a surprise! Who saw that coming?

Dock Master

TONY TIERNEY

It's finally April and the ice is gone. The first few boats are in the water. Congratulations to Dave Schaeffer for being the first boat in.....again this year. There was a minimal amount of damage from the ice over the winter to the docks. There are a few spring poles and the ends of two docks on A that raised up a bit. I will try to have a solution for that before the dock work party on Saturday April 24th.

On Saturday, March 27th the wooden walkway will come out to make way for the concrete walkway that will be completed in April. The frost laws are coming off in most of southeast Michigan this week so as soon as the contractor has a window to pour the new walkway, it will get completed.

The second round of dock bidding will be Saturday 4/3 from 1pm to 3pm at DBBC. If you are interested in any of the open docks, please come out and place a bid on one. Please remember to start sending in your 2021 insurance information to Assistant Dock Master Aaron Fuchs at aaronfuchs72@gmail.com. There is a required minimum of \$300,000 in liability coverage and a liability form filled out which is necessary for docking at the club.

BILL WOLFF

Hello Detroit Beach! Welcome to April. Or is it Groundhog Day??? As I write this, the infection rates are going back up in Michigan in spite of the vaccine, so what the heck is up with that???

At least spring is finally starting to show up and we can soon get those boats back to the docks where they belong. We'll keep an eye on these stupid numbers and we'll start some fun back up at the club just as soon as we can do it safely. Stay tuned for that. Until then—
See you at the club!

Bill
