Vice Commodore

DON TECZYNSKI

Wow! It's Regatta time! We will be hosting the final poker run and opening of the cards for the 2021 year. Sign up sheets for working the regatta are posted in the upstairs bar. We need many hands to make this successful. There are still a lot of open shifts available. We will also be raffling off a wagon of cheer to benefit the 2022 Commodore's Ball. We still need liquor donations to fill this wagon up...if you are able, please help! And thank you to the members that have already donated, we really appreciate your help. Bottles can be left behind the upstairs bar.

Thank you to everyone that supported the steak roasts this year. Sadly, I had to cancel the last 2 dates. A big thank you goes out to everyone that jumped in the kitchen to help.

Lastly, there are still V/C raffle tickets available. I would appreciate the support! There are still many chances to win, including the \$1000 grand prize!

BOB HARVEY

Ahoy All! The bar is open and the beer is still served in cans due to bottle shortages. The food has been restocked due to the power outage. All of it had to be thrown out. The third request has been put into Taylor Ice to restock our cooler they say we are on the list. We are getting ready for the regatta hope to see all there and be sure to sign up to help.

RC BOB

Fleet Captain

DARRIN CALHOUN

Hello all. Seaway's Poker Run was a lot of fun. We had 19 people show up. Thank you to all of you for supporting them. Our regatta is coming up next and will be opening of the cards. AYC fleet captain Mark Mendoza wants all the fleet captains to have a cardboard boat race on Saturday around 4pm. C'mon out and cheer me on or throw me a life ring when I sink LOL.

If you are a new dockholder and have not received your complimentary burgee yet, please come see me.

Not much else to report.

F/C Calhoun

Dock Master

TONY TIERNEY

Thanks! Tony

There is still time to help finish the last few things that need to get done to make the docks safe and look good for the upcoming Regatta this month, so if you still need your dock hours or if you'd just like to help out it would be much appreciated. I'm going to put together some docking teams to help with all of the boats coming in for Regatta starting at noon on the 9th. I'm hoping to get at least two people per dock/fairway to assist in getting all the boats in and tied up safely, if you are open to helping please sign up as soon as possible or send me a text letting me know when you can help.

Just a reminder that the docks and fairways will be shut down at noon on Thursday the 9th for all of the incoming boats. So if your boat is in the slip it will be there until Sunday or if your boat is out at that time you may lose your slip for the weekend. Also, keep in mind the gas dock will be shut down from Thursday at noon until Sunday at noon as well, so if you need fuel or need to pump out make sure you do it before that ahead of time.

Entertainment

BILL WOLFF

Hello DBBC! First off, I want to ask each of you to PLEASE support our upcoming Regatta on September 10th and 11th. I want you to please support this party in a couple ways: First, please invite everyone you know to come down and join us on either or both nights. We've got two killer bands (Madison Avenue on Friday and Arctic Clam on Saturday) to provide top-shelf dance/party entertainment. Second: Please support your club by getting your name on those sign-up sheets. We've got plenty of positions to fill, and we're bringing back the outside kitchen as well to provide more/better food options later to keep people well fueled to continue the party. We are the opening of the cards poker run this year, and that means we expect to be well attended. Please work a few hours, have some fun, and support this critical fund-raising event to help our club.

In other news, Toledo Sailing Club, our sister club up on the Maumee River, is bringing back their Lobster Fest this year on Labor Day weekend. It has been an amazing party since I started going to it for about the past 18 years (with exception of last year). I plan to send out an email and text blurb about it as well. If you don't already have plans, it's a great way to spend the holiday weekend. Look at their Facebook page to see their plan, but the big dinner is on Saturday and you need to contact them ASAP if you wish to get in on the big Sunday meal. Ask anyone who's been there – if the weather is good, it's an amazing holiday weekend party. That's enough for now. See you at the club!

A NOTICE FROM OUR COMMODORE

Throughout the last few weeks, board members and I have received complaints about the language being used at the bar and on the deck. Detroit Beach has always been a place where everyone should feel comfortable. However, in recent months, many members have lost that feeling because of the use of profane language and lewd comments. In response, I would encourage all members to follow the rules regarding language and conduct that are posted at the bar and in the bylaws. Let's work together to make DBBC a place where all members and guests and employees feel comfortable to enjoy our club.

Commodore Karyn

A 3.75% surcharge on credit/debit card sales is in effect. This is for credit/debit card sales at the bar as well as dues and dock deposit/fees that come out in an invoice. As always cash or check are accepted.

Thank you!
